UNCLE SAM ASKS YOU

Not to Use Outdoor Christmas Lights

All of us have enjoyed the special lighting effects prepared by home owners and business firms during the holiday season in recent years. But in an official request made Saturday by the War Production Board, civic officials, business men and the general public are asked to dispense with all forms of outdoor lighting this holiday time.

THIS REQUEST DOES NOT APPLY TO INDOOR CHRISTMAS DECORATIONS

This request is being made to save the use of critical materials, especially wiring.

The management of the Sumner Municipal Light Plant asks for the patriotic cooperation of every patron. After we lick the Axis, we'll again urge Sumner people to arrange more elaborate outdoor decorations than ever before.
