BULL DOG KILLED BY FIRE CRACKER

R. E. CHAFFEE'S CANINE BIT FIRE CRACKER AND IT EXPLODED.

DAY OF MANY ACCIDENTS

EXPLOSIVES CAUSED INJURY TO WATERLOOANS.

John Hartman Hurt Again—Street Car Conductor Struck By Torpedo—Maimed and Bruised.

The casualties accompanying the celebration of the nation's birthday were many in Waterloo yesterday. The rain that fell throughout the day and the attractions at other cities possibly put a damper on the ardor of young America and checked to an extent the handling of fireworks, consequently fewer people were hurt.

Dog Blown to Atoms.

The only death in Waterloo due directly to the deadly firecracker, was that of a dog, which was killed instantly at Elk Run by the explosion of a giant cracker that it ran for after it had been lighted. The animal was a big bull dog named "Corbett," and was owned by R. E. Chaffee.

The dog accompanied the family on a picnic yesterday to Elk Run. Members of the party were exploding fire crackers, and Corbett ran after the broken fragments and returned them. A giant cracker was lighted and thrown into the creek. The dog raced after it and before it exploded grabbed it in the middle. As he closed his mouth over the firecracker a deep explosion was heard. When the smoke cleared away the dog could not be found, but a splash in the water told where he struck. His head had been blown off and death resulted instantly.

FROM THE EDITOR.

Me Forgot That He Had a Stomach. Talking of food, there is probably no professional man subjected to a greater, more wearing mental strain than the responsible editor of a modern newspaper.

To keep his mental faculties constantly in good working order, the editor must keep his physical powers up to the highest rate of efficiency. Nothing will so quickly upset the whole system as badly selected food and a disordered stomach. It therefore follows that he should have right food, which can be readily assimilated, and which furnishes true brain nourishment.

"My personal experience in the use of Grape-Nuts and Postum Food Coffee," writes a Philadelphia editor, "so exactly agrees with your advertised claim as to their merits that any further exposition in that direction would seem to be superfluous. They have benefited me so much, however, during the five years that I have used them, that I do not feel justified in withholding my testimony.

"General 'high living' with all that the expression implies as to a general table, brought about indigestion, in my case, with restlessness at night, and lassitude in the morning, accompanied by various sensations during working hours. The doctor diagnosed the condition as 'catarrh of the stomach,' and prescribed various medicines which did me no good. I finally threw 'physics to the dogs,' gave up tea and coffee and heavy meat dishes, and adopted Grape-Nuts and Postum Food Coffee as the chief articles of my diet.

"I can conscientiously say, and I wish to say it with all emphasis possible to the English language, that they have benefited me as medicines never did, and more than any other food that ever came on my table. My experience is that the Grape-Nuts food has steadied and strengthened both brain and nerves to a most positive degree. How it does it, I cannot say, but I know that after breakfasting on Grape-Nuts food one actually forgets he has a stomach, let alone 'stomach trouble.' It is, in my opinion, 'the most beneficial as well as the most economical food on the market, and has absolutely no rival.' Name given by Postum Co., Battle Creek, Mich. There's a reason.

accompanied the wagon on its regular route for a number of years.

Face Full of Powder.

John Hartman, aged 19 years, an employe of the Waterloo Casket Co., was painfully injured about the face and eyes yesterday by the premature explosion of powder he had placed in a toy cannon. The powder became ignited and an explosion resulted while he was bending over the instrument. His face was burned and filled with powder, causing serious injuries. The hurts gave him little pain in the forenoon, but later became excruciating. His eyesight may be impaired. Last year Mr. Hartman had a toe blown off by a cannon cracker.

Big Torpedo Exploded.

Carl Springstine, a conductor on the W. C. F. & N. railway, sustained a lacerated leg yesterday by being struck by fragments of a tin torpedo that had been placed on the street car tracks. Conductor Springstine was stepping from the Independence avenue car at the ticket office when the car in charge of Motorman Siffer passed over the torpedo. A part of the flying tin struck Springstine on the right leg, inflicting a slight wound. It was dressed by a physician and the young man is able to work today.

George Hoy Injured.

George Hoy had one of his hands burned severely by the discharge of a revolver loaded with blank cartridges. The gun was in the hands of another person and was exploded in such a manner that the flame and powder entered Mr. Hoy's hand, causing a painful wound.

Torpedo Struck Foot.

Elmer North, who resides on Lafayette street, was the victim of a torpedo explosion at noon yesterday. The boy, who is about 10 years old, was throwing paper torpedoes on the walk in front of his home, and threw one on his bare foot. The foot was filled with powder.

Skyrocket Caused Trouble.

The family of John Black, 1025 Mulberry street, had a game of hide and seek with a skyrocket last night. They were on the porch at their home watching a display of fireworks from a neighboring lot. As an experiment, the lower sticks of a rocket were broken off and the aerial lantern was started on its flight. The rocket ascended a dozen feet and then flew on to the Black porch and sizzled around on the floor while the occupants ran to safer quarters. Fortunately the sparks did not ignite the clothing and no one was hurt.

Ralph Strunk Burned Fingers.

While lighting a firecracker yesterday Ralph Strunk, who lives at the corner of Sycamore and Park avenue, sustained a seriously burned hand by the cracker exploding before he expected it. The fingers were painfully burned. Fortunately for the boy the cracker was one of small size.

Shot With Blank Cartridge.

John Hilleman of Waterloo, while celebrating in Laporte City, yesterday sustained a painful injury by being shot below the knee by a revolver loaded with blank cartridges. A space larger than a dollar was burned in the flesh and the wound filled with powder. A hole more than six inches in diameter was burned in his garment.

Held Giant Too Long.

Edward Strayer, living at 623 West First street, was a victim of the giant firecracker habit. While walking across Fourth street bridge he thought to give the denizens of the river a touch of the celebration by exploding a bit of dynamite just over the water. He held the cracker a little too long and it went off before he could drop it. His hand was badly burned and bruised, but not permanently injured. Cal Sharp, the barber on Bridge street, called the lad into his shop and gave the injured hand a "first aid" dressing, which mitigated the hurt.

Many Other Accidents.

Fred Hummeller, employed at the factory of the Tallard Steel Pipe and Tank Co., was struck on the head Monday forenoon by an iron weighing 600 pounds. He had several stitches taken in his scalp to close a gaping wound.

A car repainer in the Illinois Central machine shops named Seifert was injured Monday while at his work. The injuries were confined to his head and face.

Raymond Smith, aged 13 years, was thrown from a buggy at the corner of Bluff and West Park avenue Saturday and sustained severe bruises about the face. He came in contact with his buggy wheel and one side of his face was scraped. He was employed in delivering papers at the time.

Clarence, 6-year-old son of Mr. and Mrs. C. T. Wilson, ran a rusty nail through his foot yesterday afternoon. The boy was playing in the yard when the accident occurred.

A boy, who could not give his name because of his cries, was hurt on Fourth street bridge yesterday afternoon by the explosion of a cannon cracker. He held it too long after lighting.

GRADUATE IN WOODS

WATERLOO BUSINESS COLLEGE WILL HOLD EXERCISES AT CEDAR RIVER PARK.

FULL PROGRAM READY

Class of Nineteen Will Receive Diplomas—Nearly All Are Employed in Offices in Waterloo.

The full program for the graduation exercises of the class of 1905 of the Waterloo Business college has just been prepared and is given out today. The class met Friday evening and elected officers and made other plans for the commencement exercises. The exercises will be held in the pavilion at Cedar River park on Tuesday evening, July 18th. The baccalaureate sermons will be delivered by Rev. Frank Bristol, of Washington, D. C., at Cedar River park Sunday, at 3 o'clock, July 16.

Gov. LaFollette Will Speak.

The order of the program at the graduation is as follows:

Tuesday, July 18.

1:30 p. m.—Exhibit work. Members of graduating class and others.

2:30 p. m.—Address—Gov. LaFollette, Wisconsin.

5:00 p. m.—Old students reunion, picnic supper.

7:30 p. m.—Address to graduates—"That Boy and Girl of Mine," Dr. W. F. Crafts, Washington, D. C.

8:30 p. m.—Grand Concert—Wesleyan Quartette, Washington, D. C.

10:00 p. m.—Alumni banquet, at Sans Souci hotel.

Graduates Employed.

Nearly all of the members of the class are employed in offices in Waterloo or the towns from which they came. Following is the names of the graduates, their home address and the present place of employment:

Shorthand Department.

Althouse, Clara, Waterloo, Iowa, stenographer Logan house.

Bellinger, W. A., Laporte City, Ia., Iowa Dairy Separator Co.

Collins, Olive, Waterloo, Iowa, Highland Nobles.

Federspiel, Frank, Waterloo, Iowa, W. C. F. & N. R. R.

Kolp, Bertha, Waterloo, Iowa, college office.

Law, Cora M., Hannah, North Dakota, Bank at Hannah.

McSweney, Ray, Waterloo, Iowa, Kemp Mfg. Co.

Selzer, Rose L., Windom, Minnesota, Litchfield.

Sornborger, Edith L., Waterloo, Ia., W. C. F. & N. R. R.

Stanley, Carl, Shell Rock, Iowa, Smith, Lichty & Hillman Co.

Wilhelm, Helene, Tripoli, Iowa, Kemp Mfg. Co.

Commercial Department.

Aldrich, Raymond, Carson City, Michigan, school.

Bolte, L. W., Waterloo, Iowa, E. A. Boggs.

Busching, Edward H., Clarksville, Iowa, school.

Harriet A. Heath to J. L. Jacobson, lots in East Waterloo 500

D. W. Logan to Harriet L. Forest, lot in Cedar Falls 900

P. J. Goswiler to Adam Rosgen, lots in East Waterloo 4,000

C. Piepenbring to E. F. Rath, lot in East Waterloo 1,375

C. P. Bratnober to C. B. Stillson et al., lot in E. Waterloo 375

G. W. Ensign to S. E. Ensign, lots in East Waterloo 1

Cerelda Lansing to J. Fuess et al., land in E. Waterloo 3,280

Henry F. Hageman to D. J. Wilson, land in Mt. Vernon 14,400

J. A. Guenther to S. B. Reed et al., lot in East Waterloo 800

H. Champlin to Georgia M. Banton, lot in East Waterloo 2,600

Eleven transfers, consideration \$28,581

MULCT LICENSE DUE

July 1 was the regular time for the quarterly payment of the mulct tax to the county treasurer by the saloon keepers of Waterloo. Twenty-two paid the tax. One paid a tax of \$150 which is charged wholesale concerns and the other 21 paid the \$300 tax which is charged retailers. The total amount is \$6,450. Those making the payments are as follows:

G. Hartman, \$300; E. E. Westhoff, \$200; Peter Wagner, \$300; White & French, \$300; Carl J. White, \$300; Gettelman Brewing Co., \$300; Stieling & McKevett, \$300; Gettelman Brewing Co., \$150; Adam Rosgen, \$300; Wm. Wagner, \$300; Jacob Guyer, \$300; C. S. Parker, \$300; Boltz & Gram, \$300; A. Schroeder, \$300; Nick Federspiel, \$300; Ulrich & Meggison, \$300; Warren L. Seibert, \$300; Edelweis Co., \$300; Kinsey & O'Rourke, \$300; O. B. Klingefelter, \$300; Jackman Bros., \$300; P. A. Landy, \$300.

THE RAIN DON'T STOP THEM

People Still Come in Troops for Plant Juice Remedies.

The rain of the past few days has prevented the usual large crowds from enjoying the wholesome entertainments given by Colonel Frank A. Dillingham's splendid company of artists on Fourth street near I. C. shops, but has had no effect in keeping away the people who have learned of the wonderful healing and beneficial qualities of his medicine, and all through the day the gentlemen in charge are kept busy answering the calls of the people for these remedies.

Colonel Dillingham also finds that there is a growing demand among the dealers for supplies of the Plant Juice remedies. This comes in a great measure from the owners of country stores, who carry a line of standard remedies for the accommodation of their customers. One merchant from Cedar Falls district called yesterday and made application for a supply of the remedies saying that the calls for it were coming so numerous that he must have the supplies. Colonel Dillingham furnished him through one of the jobbing houses of the city. Other inquiries are coming from all sections of the country, where the news of the wonderful healing and curative qualities of the Plant Juice remedies has spread.

The remedies are all compounded and manufactured under the personal supervision of the discoverer, Colonel Dillingham, and are sold to the trade at advantageous prices. The country merchant or druggist who desires to supply the demands for these remedies can always be accommodated by calling on Colonel Dillingham at his headquarters here in Waterloo or through their jobber. Shipments are always promptly made, charges prepaid.

Plant Juice, the great discovery and positive and guaranteed cure for rheumatism and stomach trouble, continues to effect cures wherever used, and in every instance the result of the treatment has been most satisfactory. Considering the fact that the remedy is sold on a positive guarantee of cure, if taken according to directions, there is little risk to run, and the sufferer from the terrible pains and agony accompanying rheumatism, indigestion, dyspepsia, etc., has little to fear in taking the treatment.

The entertainment on Fourth street near I. C. shops will continue every night this week. These remedies can also be obtained at C. L. McDermott's drug store, 118 East Fourth street, Waterloo, Iowa.

HELD SPECIAL MEET

CITY COUNCIL TRANSACTED MUCH BUSINESS AT AFTER-NOON SESSION MONDAY.

ORDERED MORE PAVING

West Park Avenue Will Be Improved With Asphalt—Took Up Other Matters.

City Hall, July 3, 1905—Council met in special session in response to the following call by Mayor Rector:

Waterloo, Iowa, July 3, 1905. To James Byrnes, W. R. French, J. H. Hildebrand, W. L. Illingworth, W. M. Kurth, J. E. Sedgwick, C. A. Smith and S. L. Vale:

You and each of you are hereby notified that there will be and is hereby called a special meeting of the city council of the city of Waterloo, Iowa, at 2:00 o'clock p. m., Monday, July 3, 1905, for the purpose of considering and taking action on the matter of rails and poles to be placed by the Waterloo, Cedar Falls & Northern Ry. Co., and the matter of closing bridge during Chautauqua. The matter of paving Park avenue from Chicago Great Western railway tracks to Wellington street. The matter of accepting plat of Manson's Fourth addition to Waterloo, Iowa. The matter of constructing additional sewers in West Waterloo. The matter of opening Ankeny street to Manson's Fourth addition.

J. R. RECTOR, Mayor.

We, the undersigned duly elected and qualified councilmen of the city of Waterloo, Iowa, hereby acknowledge service of above call, due notice of which has been given.

J. E. SEDGWICK, W. L. ILLINGWORTH, JAS. BYRNES, C. A. SMITH, J. H. HILDEBRAND, WM. KURTH, W. R. FRENCH, S. L. VALE.

On motion the following resolution was adopted. On roll call Byrnes, Hildebrand, Illingworth, Kurth, Sedgwick and Smith voting aye; nays, none. French and Vale absent.

Resolution of Necessity. 1179.—Be it resolved by the city council of Waterloo, Iowa:

Whereas it is deemed advisable and necessary to grade, curb and pave Park avenue from the Chicago Great Western railway tracks to Wellington street, with intersections on said described street where not already paved upon motion of the city council with-out petition therefor by abutting property owners, now, therefore,

Be it resolved by the city council of the city of Waterloo, Iowa, that it will consider the following proposed resolution of necessity at a meeting of the city council to be held on the 27th day of July, 1905, at 7:30 o'clock p. m., at the council chamber in the city of Waterloo, Iowa, and the city clerk be and he is hereby directed to give twenty days notice in accordance with the law and ordinances governing the same, said resolution of necessity being as follows, to-wit:

Be it resolved by the city council of the city of Waterloo, Iowa, that the advisability and necessity of improving the street hereinafter described is hereby declared and directed. Park avenue from the Chicago Great Western railway tracks to Wellington street with intersections on said described street where not already paved.

The roadway of said street to be paved forty (40) feet in width from the Chicago Great Western railway tracks to the southwest corner of Washington street, and thirty (30) feet in width from the southwest corner of Washington street to Wellington street, the southeasterly and northwesterly wings of the intersection of Park avenue and Washington street to be paved forty (40) feet in width, and construct upon each side of said roadway an artificial combined Portland cement curb and gutter eighteen (18) inches in width. Whenever the existing curb is of sufficient width and depth and can be removed without impeding the same, said curb to be reset to the new line of curb, and an eighteen (18) inch gutter constructed to conform with the new line of curb and gutter.

Said roadway of said street to be paved with the best quality of sheet asphalt. The paving to consist of five (5) inches Portland cement concrete base, one inch of asphalt binder course and one and one-half (1½) inches of wearing surface.

The contractor is to be required to guarantee the paving for a period of seven (7) years, and execute a bond for the same of not less than fifty (50) per cent of the amount of the contract, to be given as surety for said guarantee, and that he will carry out all the provisions of said contract.

The cost of improving said streets, excepting street and alley intersections, to be assessed against the abutting property in proportion to the benefit accruing there to, and in accordance with the law governing the same. The cost of paving alley and street intersections, and the cost of paving in front of abutting property where the benefits derived by reason of such pavement is less than the cost thereof, and where such pavement costs in excess of twenty-five (25) per cent of the actual value of the abutting property and property abutting such improvement owned by the city, the cost of such pavement and improvement shall be paid out of a fund to be derived by a tax levied by said city under section 830 of the code, against which fund certificates shall be issued as provided by law.

On motion the petition of John H. Leavitt et al., asking for the opening of Ankeny street from the southerly terminus of said street to the property of said petitioners, was granted, and the city attorney was instructed to prepare the necessary papers for condemnation proceedings.

On motion the following resolution was adopted. On roll call Byrnes, Hildebrand, Illingworth, Kurth, Sedgwick, French and Vale absent.

1180.—Be it resolved by the city council of the city of Waterloo, Iowa, that the plat this day filed and known as Manson's Fourth addition to Waterloo, Iowa, be and the same is hereby accepted, and the mayor and city clerk are hereby directed to certify a copy of this resolution to the county recorder.

On motion the matter of increasing the capacity of sewers in West Waterloo was referred to the water, sewer and gas committee, with instructions to report at the next meeting.

On motion the matter of modifying the provisions of resolution 1175, passed on June 22, 1905, regarding the material to be used by the Waterloo, Cedar Falls & Northern Ry. Co., and the manner of placing same on streets where paving is in course of construction, was referred to the council as a committee of the whole.

On motion council adjourned. R. C. THOMPSON, City Clerk.
