To Shirley and family,
My prayers and thoughts to all of you. Mike never stopped serving his country, community or family. I am saddened that we have lost another AMVET and community member. It was always nice chatting with Mike, because there was no pretending, just a good honest dialogue.
Thanks for your service.

Dear Shirley and kids - I remember when Mike walked into the flower shop those many years ago - tall ,dark and handsome and in his uniform. The radar base brought any wonderful people to Waverly and Mike was outstanding. Thinking of him always brings a smile to my face as he was a friend who usually came in the "side door" at the greenhouse which was significant of his status with us. Open the door St. Peter because, "Mike has arrived". With fond memories and love to all. Bobbi Ecker-Blatchford
