Bill, Randy, and Beth: My mother was called the "Sunshine Chairman" of our family because she loved sending out cards to friends and relatives. Margaret also spread a lot of sunshine with the cards she sent with those little hearts and happy-face stickers on them. She touched many lives with those cards, but that was only a small part of who she was. Margaret was a gracious, loving, and kind person who cared so much. I will truly miss her. May God give you His comfort and peace knowing that Margaret will continue to spread her sunshine with all of God's people.
