Bob, when I heard this I was shocked. You were way to young to go but knowing your eased of all that pain now. You will be missed by all that knew you specially your friends on the weekend crew at Hawkeye RTTC. Someone said you can fly freely down that highway now, don't worry about Logbooks, ELD's or anything. To Wes, Wyatt and Nanc you were the world to him, every time we talked each one of you came up in the conversation. So Sorry for your loss RIP my friend until we meet again.

Love you Big Guy. You were the most helpful and loving to me and your pa when we needed you. We'll miss your smile, visits and phone calls. Know you're out of all pain and with Brett, Blaine, Dick and grandpa in Heaven. You were too young to leave us. You'll always be in our daily thoughts. Love you Big Guy, Mom and pa
