My thoughts and prayers go out to Norm's family, friends and loved ones. I remember my husband and I going to his furniture store in the early '70's. We were young and didn't have a lot of money to spend. We went to his furniture store's clearance room and bought a sofa, love seat, a kitchen table with four chairs, and a recliner. He treated us like we were millionaires, and we loved his sense of humor! God Bless all of you..I know you are going to miss him. Rhonda Schilling

Carol and family, I was saddened to hear of Norm's passing. He frequently entertained us with military and life experience stories while stopping in at the Treasurer's office. We looked forward to seeing him. He often talked about his family and was very proud of all of you. He will be missed by all who knew him. With sympathy,

Carol, Kris and Fred Thoughts and prayers for you all at this very difficult time. Norm is gone but his memory will live in your hearts forever. He was a man with a genuine smile and always a kind word for everyone. He adored his wife and family and doubt he even had an enemy. He was loved and admired by all. We are out of town and will not be able to attend the visitation or service. But we will be with you in spirit. With deepest sympathy, Dan and Paulette Norton

Boy if I had known he liked detailing cars, I could have brought him mine a few times. I always liked to visit with him when I would bring in my car. I hope you can rest a little now knowing he is in a great place. You are in my prayers.

Carol, Kris and Fred, We are saddened by the loss of Norm. He was my neighbor growing up on 7th Avenue and then later Brian's and my neighbor. He always had a clean yard, car and home. Always friendly and witty. He will be missed.
