John, I was dumbfounded to hear of Paul's passing from my aunt, Celia Leisinger on a phone call last night. She lived next door to him at the Villages for a few years. Our graduating class spokesman also left a message about Paul. Paul was a fun guy and we worked together as part-time janitors at Lutheran Mutual during our college years. We played a lot of pool, did all-nite bowling, road motorcycles to Waterloo and generally had a great time. I was visiting my mom when I met Paul at the city library about three years ago. We had not seen each other since 1970 as I lived in IN, TX , NJ and MN, but we caught up a little bit. I am sure you have a lot of pleasant memories of his life in your family as well as all these adult years. I extend my condolences.

To PJ's family. I was sad to hear about PJ passing. He was truly one of my best friends in high school. Thru the years we would get together when he came out to Las Vegas and also on my rare trips back to Waverly. R.I.P. Paul , you will always be in my thoughts.
