“ Uncle George was a great entertainer. He had a new game to teach us every time we visited. If it was broken, he could fix it and make it better. He was bird watcher. In fact the birds liked him so much they sit outside his kitchen window. He is sorely missed.

“ Will never forget all the years you lived across the road in Bassett. George always had a smile on his face and worked hard for his family.

“ Farewell and job well done to one of the good guys....I will always remember George as a good father and a great role model, not only to his entire family, but to all those Bassett Boys who loved to spend those hazy, long summer days playing baseball in the grassy lot north of the Mackamul home. May God bless his family, his soul, and his memory.

“ He was such a nice man. I'll cherish the short time I got to know him and the fun visit we had in Arizona with he and Aunt Peggy. He made yummy pies. :)
