I am so sorry for you & the entire family's loss. Gene was such a good guy & Ken really liked to harass him. Hope Gene realizes he will have to put up with that again! I will think of him every time I look at the window sill as I have the little wood workings he gave us sitting there. You all have my sympathy, thoughts & prayers! Love you!

Kirk and family, I'm very sorry for your loss. I have a lot of good memories of being over at the house when we were younger and seeing everyone at school events or games. The Lampe family was always kind and generous with smiles and friendship. You are in my thoughts and prayers.
