My heart is breaking for your loss Brenda. Kenny was so wonderful and just had the best smile. He always had a hug and great advise for me and I am sure every other kid that your own kids brought home. He is one of my favorite people and I just loved driving by and honking to see him wave at me as I passed. I love you and am sending hugs...

I am so saddened by the passing of Kenny and I know how much his family and friends will miss him! He visited Altorfer Caterpillar whenever we had a social gathering and left everyone with a smile on their faces and a brighter day ahead. I am grateful to have made Kenny's acquaintance; he was one of those special people you never forget and smile each time with the memory of something funny or pleasant he said. I will pray for peace in the hearts of all of his family and friends and looking forward to the day we will see him again.

Brenda and family, I have many fond memories of Maxfield Church and all of you. I know you were a good friend to my sister Lois and your mom Marie was in Ladies Aid with Mom. Marie was always so pretty and "fancy". I remember your girls as beautiful baton twirlers. I think Ken may have been my Sunday School teacher at one time. All in all, your family has many good memories with each other and your community. Sending my condolences from California.

Brenda & Family Nancy and I were sorry to hear about Kenny's passing. One of my favorite memories of Kenny is when he gave me a ride in that 1956 orange and white 2 door Ford Victoria hardtop. He was smiling ear-to-ear with that impish devilish smile, and I was the happiest kid on the block with the wind blowing in my face. Happy memories are the best. Our love and prayers to all in your family. Larry and Nancy
