

Will Confirm 12 at W'gate Church

Annual Confirmation Services Will Be Held Sunday, May 14

WESTGATE—The confirmation of the 1944 class of St. Peter's Lutheran church will be on Mother's day. Members of the class are: Arnold Heller, Donald Nauloh, Gerald Oltrogge, Gene Leach, Lydia Bartz, Shirley Lockard, Betty Rueber, Arlene Koelling, Donna Fink, Elaine Behnke, Geraldine Olsen, and Elaine Potratz.

Donate to Service Center
At its last meeting the Lutheran Ladies Aid resolved to send \$20 to the Lutheran service center at Tulahoma, Tenn., to be used for a feed for our service men and women at the center. Pastor Theo. Schliepsiek is stationed at this center. Some time ago the Aid donated \$25 for the Red Cross, and last Thursday resolved to purchase material for some extra confirmation gowns.

11 From W'gate Will Graduate
Eleven Westgate students will be among the 28 Seniors to graduate from Maynard high school May 5. A. G. Woolfries of Waterloo will give the address on "This Above All." Baccalaureate services will be April 30.

Those from Westgate who will graduate are: Angela Baker, Burnita Block, Arlene Flitz, Edgar Fratzke, Esther Heller, Maxine Peters, Lois Plaster, Myra Potratz, Darlene Rueckert, Milton Sabin, Robert Steil.

Another of our students, Milton Leech will graduate from Sumner high school May 12.

Club Meets at Kollman Home

65 1/2 Million Fish Stocked in Iowa During '43

Stocking Nursery—raised Fish in Public Fishing Waters

State Conservation Commission fisheries employees stocked a total of 65,517,187 fish in the public fishing waters of the state during 1943. Some 500,000 fish were rescued from the overflow waters of the Mississippi. The remainder were produced in the various state-owned and operated nursery ponds and hatcheries.

Twenty-one species of fish were stocked, with walleyes, perch, bullheads, bluegills, and largemouth bass in the order named making the bulk of the stockings. Although most of the fish were yearling, fingerling, or fry, 313,381 were legal size, some weighing as much as 10 pounds each.

Soybeans Will Smother Many Perennial Weeds
The beaver live-trapping and restocking program of the State Conservation Commission is to be reduced to a minimum in 1944, and none of these animals are to be removed except in cases of extreme aggravation. Since 1937 conservation officers have been live-trapping these available fur-bearers in areas where their activities have caused damage and have "planted" them in areas more suitable.

No Spring Beaver Stocking
The beaver live-trapping and restocking program of the State Conservation Commission is to be reduced to a minimum in 1944, and none of these animals are to be removed except in cases of extreme aggravation. Since 1937 conservation officers have been live-trapping these available fur-bearers in areas where their activities have caused damage and have "planted" them in areas more suitable.

Stocking Nursery—raised Fish in Public Fishing Waters
State Conservation Commission fisheries employees stocked a total of 65,517,187 fish in the public fishing waters of the state during 1943. Some 500,000 fish were rescued from the overflow waters of the Mississippi. The remainder were produced in the various state-owned and operated nursery ponds and hatcheries.

Twenty-one species of fish were stocked, with walleyes, perch, bullheads, bluegills, and largemouth bass in the order named making the bulk of the stockings. Although most of the fish were yearling, fingerling, or fry, 313,381 were legal size, some weighing as much as 10 pounds each.
